Parking

Please follow the below instructions to use the validation code for parking.

Please note visitors can park in the lots marked yellow and blue on the map.

1. Go to the pay station (pay stations are marked as the orange circles on the map) and press any button on the right side of the screen (to wake it up).
2. Select the amount of time needed and enter license plate number.
3. Press the wide “space bar” key at the bottom of the keypad (if using a code).
4. This displays a box where you enter the coupon code.
5. Enter the Coupon code number 2760570 and press “D” on the right side of the screen.
6. Lift the handle and collect your meter receipt (near the bottom of the machine).

You can also visit here for more visitor parking information.
